Spirit Medium & Psychic **Charles A. Filius** clearly communicates with deceased loved ones as well as Spirit Guides and the Angelic Realm in a most unique manner in order to give you a reading unlike any other. Charles brings a natural, easygoing style with his readings, along with a healthy dose of humor and heartfelt compassion that is distinctly his own.

Whether you've experienced mediumship before or if this is your first time, Charles immediately puts you at ease with his warmth and humor. Spirit fully utilizes Charles' strong sense of humor and unique visualization to make his readings a highly charged, uplifting and clearly enjoyable experience.

Of course Spirit is the one who chooses those individuals who are the recipients of a message, but each message that is brought forward is for the benefit of all attendees collectively. "It's a lot like a telephone," Charles says. "You choose to answer but you have absolutely no control over who is on the other end."
